Items to be coated - Please only send those parts that you wish to be coated. Do not send internal components such as detents, springs, pistol guide rods, Bolt carrier groups, unless you want them coated. Cerakote recommends that springs should not be coated. If you have any questions, please contact us.

if you are sending complete firearms, please list, make, model, and serial number, Paint color/pattern requested otherwise, please list every part you are sending in.
